

INFORMATION ON DATA PROCESSING

The Supplier acknowledges that the provisions of the privacy legislation – Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard the processing of personal data, hereinafter "GDPR" – concern the processing of personal data related only to natural persons, acquired and processed by the Customer for the conclusion and execution of the Contract and are not applicable to data related to companies, organizations and associations. For the purposes of this Agreement, the Customer may process the personal data concerning (i) the Supplier, in the case of an individual company or freelancer, and/or in any case (ii) the representatives, exponents, employees or collaborators of the Supplier.

The Supplier declares to be aware that, in compliance with art. 13 of the GDPR, the personal data communicated from the Supplier for the conclusion and execution of the Contract are collected and processed by the Customer, as Data Controller, exclusively for these purposes and for the related regulatory, administrative and accounting obligations, by means of suitable methods and procedures (also computerized), through specifically authorized internal staff and through external collaborators designated as data processors or authorized to perform individual operations of the same. The Supplier acknowledges that, concerning the personal data processed for the conclusion and execution of this Contract, the natural person to whom the data refer ("the Individual concerned") has the right of access, rectification, limitation, cancellation, portability, and opposition (articles 15-22 of the GDPR), as well as the right to complain to the Privacy Guarantor.

It is the responsibility of the Supplier to guarantee the lawful usability of personal data concerning, by way of example e not exhaustive, any of its representatives, exponents, employees and collaborators, which are communicated to the Customer for the purpose of concluding and executing the Contract and, in particular, the correct fulfillment of the information obligations towards the interested parties as well as, where necessary, the collection of their consent, regarding the processing of their personal data by the Customer for the aforementioned purposes in the terms highlighted above.
